MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

Your Company is focused on International Trade & Distribution of **Chemicals** - Petrochemicals / Polymers / Paper & Paper Boards / Rubber / Heavy Distillates. The company has expanded globally reducing its dependence on a particular region. The company has established overseas subsidiaries and offices. Our unique and distinct models of International Trade and Distribution hubs in India, and U.A.E affords us to serve our partners in cross country/continent trade across our Business Verticals duly integrated with the various Industry Verticals. This distinct model not only mitigates risk but also creates opportunities to capitalise on products, volumes and volatility.

Trading

Logistics

Power Generation

Our inherent strength stemming from our global network, infrastructure and domain expertise provides an opportunity of general trading with our enterprise partners. Your Company believes in one constant i.e. Change; Change through Evolution. We have evolved our business model from trading to services to International Trade & Distribution, to present day business model, we refer to as "Enterprise Partnership".	In the advent of the global economy growing at a pace faster than it has done for decades and the pace of reforms in our very own country, which is among the fastest emerging economies in the world, infrastructure growth is an area which needs to be given extremely high relevance. India as a country has to have requisite infrastructure to support the targeted growth and this is one of the most crucial areas to achieve prime place as a	Over the period of time people across the world are slowly but consistently understanding the importance of pollution free environment. Alarming rate of global warming is also a cause of growing concern. People are now preferring alternate fuel resources than conventional ones. Alternative fuels which are available at a cheaper rate can meet growing demands for such alternative fuels. Wind energy is one of such resource which is a viable option to achieve sustainable

developed economy of the world.

development and also to conserve traditional energy resources, supply of which is limited. Continuous growing population of the world would require huge energy resources at reasonable/competitive prices.

The largest component of renewable generation capacity is wind power. Wind energy not only offers both a power source that completely avoids the emission of carbon dioxide, the main Green House Gas (GHG), but also produces none of the other pollutants associated with either fossil fuel or nuclear generation.

Growing concern for the environmental degradation has led to the world's interest in renewable energy resources. Non-conventional energy sources are of great interest and as a group we have invested in wind turbines and are exploring solar and biomass.

Global Chemical Industry

The global chemicals market is expected to grow from \$3340.32 billion in 2020 to \$3728.43 billion in 2021 at a compound annual growth rate (CAGR) of 11.6%.

The growth is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The market is expected to reach \$4304.71 billion in 2025 at a CAGR of 4%.

Indian Chemical Industry

Market size of Chemicals & Petrochemicals sector in India is worth \$178 bn.

Chemicals industry in India is highly diversified, covering more than 80,000 commercial products. It is broadly classified into Bulk chemicals, Specialty chemicals, Agrochemicals, Petrochemicals, Polymers and Fertilizers. India's proximity to the Middle East, the world's source of petrochemicals feedstock, makes for economies of scale.

India is a strong global dye supplier, accounting for approximately 16% of the world production of dyestuff and dye intermediates. Chemicals industry in India has been de-licensed except for few hazardous chemicals. Upcoming Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIRs) and Plastic parks will provide state-of-the-art infrastructure for Chemicals and Petrochemicals sector.

- The Chemicals and Petrochemicals market is projected to reach \$300 bn by 2025
- Indian ranks 9th in export and 6th in import of chemicals (Excluding Pharmaceuticals products) globally
- Export of chemicals and chemical products grew at a CAGR of 7.2% between FY16 and FY20
- Demand of chemical products is expected to grow at approximately 9% p.a. during 2020-25
- Indian chemical industry employs more than 2 million people

100% FDI is allowed under the automatic route in the chemicals sector (except in the case of certain hazardous chemicals).

The market size of Chemicals & Petrochemicals sector in India is around \$178 bn; expected to grow to \$300 bn by 2025.

The production of Total Major Chemicals and Petrochemicals in 2020-21 (upto September 2020) was 12,502 thousand MT. CAGR in production of Total Chemicals and Petrochemicals during the period 2015-16 to 2019-20 is 5.74%. Alkali Chemicals accounts for around 71% of the total production of Major Chemicals for the year 2019-20 (up to September 2019).

- The petrochemical demand is expected to grow at 7.5% CAGR from FY 2019-23, with polymer demand growing at 8%
- The agrochemicals market in India is expected to grow at 8% CAGR reaching \$3.7 bn by FY22 and \$4.7 bn by FY25.
- The specialty chemicals constitute 18% of total chemicals and petrochemicals market in India. As of FY19, the total market size is around \$32 bn. The demand for specialty chemicals is expected to grow at 12% CAGR from FY19-22.

OPPORTUNITIES & THREATS

Opportunities:

Growth in chemical industry is seen due to shift in production and consumption towards Asian and Southeast Asian countries in all sectors leading to increase in demand for chemicals and petrochemicals. There is opportunity to produce more than 100 Billion worth of chemical products by 2023 for domestic requirements. Another factor that is boosting chemical industry is shift in consumer preferences towards a healthier lifestyle and environment-friendly products.

Threats:

One of the key issues facing the chemical industry is sustainability. From being an economic and an environmental issue, it has also acquired strong socio-political overtones, which already have a deep impact on the industry, and this impact will only deepen in the coming years. The main issues the industry will have to address actively in the next two decades are related to water, environmental impact, raw materials, and energy use in the Indian chemical industry.

OUTLOOK

The management is quite confident that the market and business would be positive in the coming financial year. India's existing good business relations with foreign countries and efforts for developing relations with the few other foreign countries would prove beneficial in the interest of various industries including chemical industry. The government recognizes the Chemical Industry as a key growth element of the Indian Economy, thus giving boost to the chemical sector.

The Company is open for new opportunities and may grow sizably in the coming future.

RISK AND CONCERNS

As like any other business, the company is prone to various risks and concerns including but not limited to fluctuating foreign exchange, increase in operational cost, etc. The Company evaluates and monitors all risks associated with various areas of operations such as procurement, sales, marketing, inventory management, debtor's management, operational management, insurance, supply chain management, legal and other issues having a material impact on the financial health of the company on a regular basis with a view to mitigate the adverse impact of the risk factors.

INTERNAL CONTROL SYSTEMS

The Company has an adequate internal control system in place which is commensurate with its size and nature of its business, which is periodically evaluated by the management. The internal control system ensures that all the assets of the company are safeguarded from loss, damage or unauthorized disposition. Checks and controls are in place to ensure that transactions are adequately authorised and recorded and reported correctly to the concerned personnel.

CERTIFICATE ON CORPORATE GOVERNANCE

[Under Regulation 34(3) read with Schedule V(E) of the Securities and Exchange Board of India
(Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,

The Members of Veritas (India) Limited

We have examined the compliance of conditions of Corporate Governance by **Veritas (India) Limited (the Company)**, for the year ended on **March 31, 2021**, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, of the said Company. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of certification.

The compliance of the conditions of Corporate Governance is the responsibility of Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanation given to us, and the representations made by the Management and considering the relaxations granted by Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 except the following provisions:

1. *Requirement pertaining to the composition of Board including failure to appoint women director as specified in Regulation 17(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 was not complied with and therefore Fine of Rs. 3,83,500/-was levied against the Company for the quarter ended September 2020. However, later the fine was waived by the Exchange after the Company made a representation for waiver of fine.*

The Company has made all the defaults good by complying with the above Regulation.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

NOMINATION AND REMUNERATION POLICY ON APPOINTMENT OF DIRECTORS AND EMPLOYEES AND THEIR REMUNERATION

I. General:

The Companies Act, 2013, the Rules made there under in terms of Regulation 19 read with Part D of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Regulations") requires every Company to formulate the criteria for determining qualifications, positive attributes and independence of directors. The Company is also required to adopt a policy, relating to the remuneration for the directors, key managerial personnel and other employees.

Accordingly, the Nomination and Remuneration Committee (NRC) of the company has adopted the following policy and procedure with regard to identification and nomination of persons who are qualified to become directors and who may be appointed at senior management level.

II. Criteria for identifying persons for appointment as Directors and Senior Management:

The Nomination and Remuneration Committee (NRC) is responsible for evaluating the qualification of each director candidates and of those directors who are to be nominated for election by shareholders at each Annual General Meeting or Extra-ordinary General Meeting of shareholders and for recommending duly qualified director nominees to the Board of Directors. The qualification criteria set forth herein are designed to describe the qualities and characteristics required for the Board as a whole and for the Board members.

Directors:

1. Candidates for Directorship should possess adequate qualifications, skills and expertise in one or more fields of finance, law, general corporate management, information management, science and innovation, public policy, financial services, sales & marketing and other disciplines as may be identified by the NRC and/or the Board from time to time, that may be relevant to the Company's business.
2. The director candidates should have completed the age of 21 years. The maximum age of executive directors shall not be more than 70 years at the time of appointment / re-appointment. However, a candidate who has attained the age of 70 years may be appointed if approved by shareholders by passing of special resolution.
3. The Board has not established specific education, years of business experience or specific types of skills for Board members, but, in general, expects qualified directors to have ample experience and a proven record of professional success, leadership and the highest level of personal and professional ethics, integrity and values.
4. The candidate to be appointed as Director shall have a Director Identification Number (DIN) allotted under section 154 of the Companies Act, 2013 (Act) and duly complied with DIN KYC norms.
5. In addition any person to be appointed as a Managing Director or whole-time director in the Company (hereinafter referred to as 'Executive Directors') shall have to meet the following requirements for being eligible for appointment set out in Part I of Schedule V of the Act and the limits of directorships set out in listing agreement with stock exchanges.
6. Above all, every candidate for Directorship on the Board should have the following positive attributes:

- Possesses a high level of integrity, ethics, credibility and trustworthiness;
- Ability to handle conflict constructively and possess the willingness to address critical issues proactively;
- Is familiar with the business of the Company and the industry in which it operates and displays a keen interest in contributing at the Board level to the Company's growth in these areas;
- Possesses the ability to bring independent judgment to bear on the Board's deliberations especially on issues of strategy, performance, risk management and resource planning;
- Displays willingness to devote sufficient time and attention to the Company's affairs;
- Values Corporate Governance and possesses the skills and ability to assist the Company in implementing good corporate governance practices;
- Possesses leadership skills and is a team player.

7. Criteria for Independence applicable for selection of Independent Directors:

The Company may select the candidate from data bank(s) containing name, address, qualification of persons who are eligible and willing to act as Independent Director maintained by relevant institute or association as may be notified by the Central Government having expertise in creation and maintenance of such data bank.

The prospective candidates for appointment as an Independent Director shall have to meet the criteria of Independence laid down in sub-section (6) of Section 149 of the Act and in terms of Regulation 25 of the Listing Regulations.

Such Candidates shall submit a Declaration of Independence to the NRC / Board, initially and thereafter, annually, based upon which, the NRC / Board shall evaluate compliance with this criterion for Independence.

In the process of shortlisting Independent Directors, the Board shall ensure that there is appropriate balance of skills, experience and knowledge in the Board so as to enable the Board to discharge its functions and duties effectively.

8. Change in status of Independent Director:

Every Independent Director shall be required to inform the NRC / Board immediately in case of any change in circumstances that may put his or her independence in doubt, based upon which, the NRC / Board may take such steps as it may deem fit in the best interest of the company.

III. Directors selection procedure

1. Upon instructions/guidelines of Board of Directors Human Resources (HR) department shall identify and recommend appropriate candidates for selection to the Board based on director's qualification criteria.

2. For each shortlisted director candidate considered for selection to the Board, the Nomination and Remuneration Committee shall evaluate each director candidate and recommend to the Board any duly qualified director candidates.

3. To aid in the short listing and screening process the Nomination and Remuneration Committee may take the support of professional agencies, conduct interviews or have a personality check undertaken or take any other steps as may be considered necessary to ensure that the right candidates are identified.

4. A determination of a director's qualifications to serve on the Board shall be made by the Board, upon the recommendation of the Committee, prior to nominating said director for selection at the Company's next Annual General Meeting.

5. The company shall issue a formal letter of appointment to independent directors in the manner as provided in Paragraph IV (4) of Schedule IV of the Act.

IV. Removal of Director:

1. If a Director incurs any disqualification mentioned under the Companies Act, 2013 or any other applicable law, regulations, statutory requirement, the NRC may recommend to the Board with reasons recorded in writing for the removal of the said Director subject to the provisions of and compliance with the statutory provisions.

2. Such recommendations may also be made on the basis of performance evaluation of the Directors or as may otherwise be thought fit by the NRC.

V. Remuneration Policy:

1. All remuneration/fees/ compensation, payable to Directors shall be fixed by the Board of Directors and payment of such remuneration fees/ compensation shall require approval of shareholders in general meeting except for sitting fee payable to Independent Directors for attending Board/Committee meeting of the Company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF VERITAS (INDIA) LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Indian Accounting Standard ("Ind AS") financial statements of **Veritas (India) Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("the SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the "ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 44 to the standalone financial statements, which explains the fact that the Company through its wholly-owned subsidiary, Veritas Polychem Private Limited has initiated a setup of an integrated manufacturing complex at Dighi Port in the state of Maharashtra. The project is presently financed by the Company and would be suitably finance subsequently through appropriate means at appropriate time.

We draw attention to Note 1 to the standalone financial statements, which explains the uncertainties and management's assessment of the financial impact due to the lockdown and other restrictions imposed by the Government and condition related to the COVID-19 pandemic situation, for which definitive assessment of the impact would highly depend upon circumstances as they evolve in the subsequent period.

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Other information as above is expected to be made available to us after the date of this Auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application

of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I, a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 3(g) under "Report on Other Legal and Regulatory Requirements" of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls with reference to Financial Statements of **Veritas (India) Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and as prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's Internal Financial Controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to Financial Statements to future periods are subject to the risk that the Internal Financial Control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls with reference to Financial Statements and such Internal Financial Controls with reference to Financial Statements were operating effectively as at March 31, 2021, based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

1 Corporate Information

Veritas (India) Limited ("The Company") is a Listed Public entity incorporated in India. The company is in the business of International Trade & Distribution of Polymers, Paper & Paper Boards, Rubber, Heavy Distillates, Chemicals, Development of Software, etc. The Company is also engaged in generation of Wind Energy.

Note on Covid

In March 2020, the World Health Organization (WHO) declared COVID-19 as a global pandemic. The basic presumption contained in the Financial Statements is that the Company will continue its operations for the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of its operations. The said presumption has been made due to the fact that given the nature of its operations and the products handled the Company is expected to be able to generate sufficient cash flows and access funds in the future. Although, the financial effect of the current crisis on the global economy and overall business activities cannot be estimated with reasonable certainty at this stage, due to inability to reliably predict the outcome of the pace at which the outbreak expands and the high level of uncertainties arising therefrom, the management has considered all available information about the future, which was obtained after March 31, 2021, including the impact of the COVID-19 outbreak on customers, vendors and staff, as well as actual and projected foreseeable impact from various factors. The management has concluded that there has been no significant impact on the Company's profitability position, fair value estimates and this COVID-19 event is not expected to have an immediate material impact on the business operations. However, Management will continue to monitor the situation closely and will assess the need for additional measures in case the period of disruption becomes prolonged.

2 Significant Accounting Policies

2.1 Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as these financial statements include the balance sheet, the statement of profit and loss, the statement of changes in equity and the statement of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information—and comparative information in respect of the preceding period.

2.2 Basis of Accounting

The Company maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level I inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date

Level II inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level III inputs are unobservable inputs for the asset or liability

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

2.3 Presentation of financial statements

The financial statements are prepared and presented in the format prescribed in Division II – IND AS Schedule III to the Companies Act, 2013.

Disclosure requirements with respect to items in the financial statements, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Indian Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees in line with the requirements of Schedule III. Per share data are presented in Indian Rupees.

a). Property, Plant and Equipment (PPE)

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation, amortization and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on all Property, Plant and Equipment is provided based on useful life prescribed in Schedule II of the Companies Act, 2013 under Straight Line Method.

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress".

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Type of Asset with Useful Life

Type of Asset	Useful Life
Leasehold Land	Over the Lease Period
Plant and Machinery used in windpower generation	22 Years
Other Plant and Machinery	15 Years
Office Equipment	5 Years
Computer Equipment	3 Years
Furniture and Fixtures	10 Years
Vehicle	8 Years

b). Leases

i Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company considers whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

As Lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company uses its bank rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

As a Lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an Intermediate lessor, it accounts for its interest in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

c). Intangible Assets and Amortisation

Intangible Assets are stated at cost of acquisition less accumulated amortisation /depletion and impairment loss, if any.

Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the Intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

d). Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

e). Inventories

Items of inventories are measured at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase and other overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. The valuation of inventories is done on FIFO (first-in-first-out) Method.

f). Impairment of Non Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

g). Provisions & Contingencies

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated as at the balance sheet date.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. Information on contingent liabilities is disclosed in the notes to financial statements unless the possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is neither recognised in the financial statements nor disclosed in the financial statements.

h). Employee Benefit Expenses

(i). Short Term Employee Benefits

All Employee Benefits payable wholly within twelve month of rendering the service are classified as Short Term Employee Benefits and they are recognised in the period in which the employee renders the related service.

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(ii). Post Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company makes specified monthly payments to Provident Fund Scheme and other similar schemes for all applicable employees. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

Gratuity liability is a defined benefit obligation which is provided on the basis of an actuarial valuation on Projected Unit cost method made at the end of each financial year. Actuarial gains/(losses) are recognised directly in other comprehensive income. This benefit is presented according to present value after deducting the fair value of the plan assets. The Company determines the net interest on the net defined benefit liability (asset) in respect of a defined benefit by multiplying the net liability (asset) in respect of a defined benefit by the discount rate used to measure the defined benefit obligation as they were determined at the beginning of the annual reporting period.

Accumulated leave is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

i). Tax Expenses

The tax expense for the period comprises Current and Deferred Tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Minimum Alternative tax (MAT) Credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay Income Tax under the normal provisions during the specified period, resulting in utilisation of MAT Credit. In the Year in which the MAT Credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note Issued by the Institute of Chartered Accountants' of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will utilise MAT Credit during the specified period.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

j). Foreign Currency

Functional and presentation currency

The financial statements of the Company are presented using Indian Rupee (INR) i.e. currency of the primary economic environment in which the entity operates ('the functional currency').

Transactions and balances

Foreign currency transactions are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

k). Revenue Recognition

The Company has recognised revenue pursuant to a contract (other than a contract listed in paragraph 5 of Ind AS 115) only if the counterparty to the contract is a customer. A customer is a party that has contracted with an entity to obtain Goods and services that are an output of the entity's ordinary activities in exchange for consideration.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

Criteria for recognition of revenue are as under:

a) Sale of Goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- (i) significant risks and rewards of ownership of the goods are transferred to the buyer;
- (ii) Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- (iii) it is probable that economic benefits associated with transaction will flow to the Company; and
- (iv) amount of revenue can be measured reliably;

b) Income from sale of electricity is recognized as per the terms and conditions of the agreement with the Customer.

c) Interest income is recognized on a time proportion basis taking into account amount outstanding and applicable interest rate.

d) Dividend is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

l). Financial Instruments

(i). Financial Instruments

Initial Recognition

Financial Instruments i.e. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial instruments, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in Statement of profit or loss.

Subsequent Measurement

Financial assets

All recognised financial assets are subsequently measured at amortized cost except financial assets carried at fair value through Profit and loss (FVTPL) or fair value through other comprehensive income (FVOCI).

VERITAS (INDIA) LIMITED

Notes to Financial Statements for the year ended 31st March, 2021

a) Equity Investments (other than investments in subsidiaries, associates and joint venture)

All equity investments falling within the scope of Ind-AS 109 are mandatorily measured at Fair Value Through Profit and Loss (FVTPL) with all fair value changes recognized in the Statement of Profit and Loss.

Investment in Subsidiary, associates and joint ventures. Investments in equity shares of Subsidiaries, Joint Ventures & Associates are recorded at cost and reviewed for impairment at each reporting date

The Company has an irrevocable option of designating certain equity instruments as FVOCI. Option of designating instruments as FVOCI is done on an Instrument-by-Instrument basis. The classification made on initial recognition is irrevocable.

If the Company decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument are recognized in Statement of Other Comprehensive Income (SOI). Amounts from SOI are not subsequently transferred to profit and loss, even on sale of investment.

b) Derecognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Company has transferred substantially all the risks and rewards of the asset, or b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

c) Impairment of financial assets

The Company applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost.

Financial Liabilities

Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Subsequent Measurement

Loans and borrowings are subsequently measured at Amortised costs using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation is included as a part of Finance Costs in the Statement of Profit and Loss.

Financial liabilities recognised at FVTPL, shall be subsequently measured at fair value.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Notes to Financial Statements for the year ended 31st March, 2021

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Re-classification of financial instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest. The Company has not reclassified any financial asset during the current year or previous year.

m). Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholder by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit after tax for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n). Segment Reporting

Based on "Management Approach" as defined in Ind AS 108 -Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments. The Company concludes that it operates under two reporting segments viz (a) Trading, Distribution and Development and (b) Wind power generation. The secondary reporting segment is geographical segment based on location of customer viz domestic and overseas.

Unallocable items include general corporate income and expense items which are not allocated to any business segment.

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the standalone financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

Key estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer and the geography in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The maximum exposure to credit risk for trade and other receivables by type of counterparty was as follows :

		Amount (Rs.)	
	Notes	Carrying amount	
		March 31, 2021	March 31, 2020
Loans	10	27,42,64,621	36,26,28,509

		2,20,44,71,400	2,18,48,33,328

a) Trade receivables

The Company individually monitors the sanctioned credit limits against the outstanding balances.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade receivables. The Company uses a provision matrix to compute the expected credit loss for trade receivables. The Company has developed this matrix based on historical data as well as forward looking information pertaining to assessment of credit risk. Management exercises override in few receivables.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdiction and industries and operate largely in independent markets.

The Company exposure to top 5 Debtors is 92% of outstanding trade receivable as at March 31, 2021. There is credit concentration and management is confident of full recovery.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF VERITAS (INDIA) LIMITED

Report on Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Indian Accounting Standard ("Ind AS") financial statements of **Veritas (India) Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit And Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "**the Consolidated financial statements**").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 47 to the Consolidated financial statements, which explains the fact that the Company through its wholly-owned subsidiary, Veritas Polychem Private Limited has initiated a setup of an integrated manufacturing complex at Dighi Port in the state of Maharashtra. The project is presently financed by the Company and would be suitably finance subsequently through appropriate means at appropriate time.

We draw attention to Note 1 to the Consolidated financial statements, which explains the uncertainties and management's assessment of the financial impact due to the lockdown and other restrictions imposed by the Government and condition related to the COVID-19 pandemic situation, for which definitive assessment of the impact would highly depend upon circumstances as they evolve in the subsequent period.

We draw attention to Note no 33 to the consolidated financial statements relating to the dispute of one subsidiary with its contractor which is currently under litigation and arbitration. The consolidated financial statements do not include any adjustments that might result from the outcome of the judgement in the matter.

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon. The Other information as above is expected to be made available to us after the date of this Auditors' report.

Our opinion on the Consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the

consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of seven subsidiaries (including one step-down subsidiary) included in the Consolidated Financial Statement, whose Ind AS financial statements reflects total assets of Rs. 309,036.62 lakhs and net worth of 211,867.70 lakhs as at March 31, 2021, total revenues of 145,341.29 lakhs and net cash flows of 504.77 lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. These includes the financial results for one subsidiary i.e. GV Offshore Private Ltd, accounts of which are consolidated based on management accounts.

These financial statements of six subsidiaries have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the attached Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of section 143(3) of the Act, insofar as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the Consolidated Financial Statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account and workings maintained for the purpose of preparation of the Consolidated Financial Statements;
 - d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended;
 - e) Directors of the Holding Company are not disqualified in terms of provisions contained in the said section 164(2) of the Companies Act on the basis of the reports of the statutory auditors of its subsidiaries incorporated in India. None of the directors of the subsidiaries companies incorporated in India are disqualified as on March 31, 2021 from being appointed as a director in terms of section 164 (2) of the Act;
 - f) With respect to the adequacy of the Internal Financial Controls with reference to Financial Statements of the Holding Company, its subsidiaries incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure I; and
 - g) As required by Section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditors' Report in accordance with rule 11 of the Companies (Audit and Auditor's) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate Financial Statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph :
- i. The consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer note 33 to the consolidated Financial Statements.
 - ii. The Holding Company and the individual entities have made provision, as required under the applicable law and accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer note 45 to the consolidated Financial Statements; and
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

ANNEXURE I TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under section 143(3)(i) of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2021, we have audited the Internal Financial Controls with reference to Consolidated Financial Statements of **Veritas (India) Limited** ('the Holding Company') and its subsidiaries, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to Financial Statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the

design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's Internal Financial Control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to Financial Statements to future periods are subject to the risk that the Internal Financial Control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate Internal Financial Controls system with reference to Financial Statements and such Internal Financial Controls with reference to Financial Statements were operating effectively as on March 31, 2021, based on the Internal Control with reference to Financial Statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the Internal Financial Controls with reference to Financial Statements insofar as it relates to three subsidiaries, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. One Indian subsidiary is consolidated on management account basis and hence, we are unable to comment on the adequacy and operating effectiveness of IFC in that subsidiary. Further, the Company has three overseas subsidiaries where Internal Financial Controls with reference to Financial Statements are not applicable.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

1 Corporate Information

Veritas (India) Limited ("The Company") is a Listed Public entity incorporated in India. It has Four subsidiaries Incorporated in India and Three subsidiaries incorporated out of India. The Subsidiaries are wholly owned. The Company and the subsidiaries are referred to as "The Group". The Group is in the business of International Trade & Distribution of Polymers, Paper & Paper Boards, Rubber, Heavy Distillates, Chemicals, Development of Software, Agricultural Activities, Manufacturing and Warehousing etc. The Company is also engaged in generation of Wind Energy.

Note on Covid

In March 2020, the World Health Organization (WHO) declared COVID-19 as a global pandemic. The basic presumption contained in the Financial Statements is that the Company will continue its operations for the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of its operations. The said presumption has been made due to the fact that given the nature of its operations and the products handled the Company is expected to be able to generate sufficient cash flows and access funds in the future. Although, the financial effect of the current crisis on the global economy and overall business activities cannot be estimated with reasonable certainty at this stage, due to inability to reliably predict the outcome of the pace at which the outbreak expands and the high level of uncertainties arising therefrom, the management has considered all available information about the future, which was obtained after March 31, 2021, including the impact of the COVID-19 outbreak on customers, vendors and staff, as well as actual and projected foreseeable impact from various factors. The management has concluded that there has been no significant impact on the Company's profitability position, fair value estimates and this COVID-19 event is not expected to have an immediate material impact on the business operations. However, Management will continue to monitor the situation closely and will assess the need for additional measures in case the period of disruption becomes prolonged.

2 Significant Accounting Policies

2.1 Compliance with Ind AS

The Group's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements include the balance sheet, the statement of profit and loss, the statement of changes in equity and the statement of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information—and comparative information in respect of the preceding period.

2.2 Basis of Accounting

The Group maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level I inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date

Level II inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level III inputs are unobservable inputs for the asset or liability

2.3 Presentation of financial statements

The financial statements are prepared and presented in the format prescribed in Division II – IND AS Schedule III to the Companies Act, 2013.

Disclosure requirements with respect to items in the financial statements, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees in line with the requirements of Schedule III. Per share data are presented in Indian Rupees to two decimal places.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

a). Property, Plant and Equipment (PPE)

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation, amortization and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on all Property, Plant and Equipment is provided based on useful life prescribed in Schedule II of the Companies Act, 2013 under Straight Line Method.

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress".

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Type of Asset with Useful Life

Type of Asset	Life
Leasehold Land	Over the Lease Period
Plant and Machinery used in windpower generation	22 Years
Other Plant and Machinery	15 Years
Office Equipment	5 Years
Computer Equipment	3 Years
Furniture and Fixtures	10 Years
Vehicle	8 Years

b). Capital work-in-progress

Capital work-in-progress is stated at cost less any identified impairment loss. All expenditures connected with specific assets during the installation and construction period are carried under capital work-in-progress. These are transferred to property, plant and equipment as and when they are available for use. All those expenditures which are not connected with any specific assets during the construction phase of the project are carried under pre-operating expenses. Once the project is completed, these expenditures will be allocated to the specific assets.

Pre-operating expenses

All those expenditures which are not connected with any specific assets during the construction phase of the project are carried under capital work-in-progress (pre-operating expenses). Once the project is completed, these expenditures will be allocated to the specific assets.

c). Leases

i Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company considers whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

As Lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, generally, the Company uses its bank rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

Short-term leases and leases of low-value assets:

The Company has not applied Ind AS 116 to Short Term Leases, which are defined as leases with a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

As a Lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interest in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

d). Intangible Assets and Amortisation

Intangible Assets are stated at cost of acquisition less accumulated amortisation /depletion and impairment loss, if any.

Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible assets of the company comprises of Software which is amortized over a period of 5 years.

e). Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

f). Inventories

Items of inventories are measured at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase and other overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. The valuation of inventories is done on FIFO (first-in-first-out) Method

g). Impairment of Non Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

h). Provisions & Contingencies

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated as at the balance sheet date.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. Information on contingent liabilities is disclosed in the notes to financial statements unless the possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is neither recognised in the financial statements nor disclosed in the financial statements.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

i). Employee Benefit Expenses

(i). Short Term Employee Benefits

All Employee Benefits payable wholly within twelve month of rendering the service are classified as Short Term Employee Benefits and they are recognised in the period in which the employee renders the related service.

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(ii). Post Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company makes specified monthly payments to Provident Fund Scheme other Similar Schemes for all applicable employees. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

Gratuity liability is a defined benefit obligation which is provided for on the basis of an actuarial valuation on Projected Unit cost method made at the end of each financial year. Actuarial gains/(losses) are recognised directly in other comprehensive income. This benefit is presented according to present value after deducting the fair value of the plan assets. The Company determines the net interest on the net defined benefit liability (asset) in respect of a defined benefit by multiplying the net liability (asset) in respect of a defined benefit by the discount rate used to measure the defined benefit obligation as they were determined at the beginning of the annual reporting period.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Accumulated leave is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

j). Tax Expenses

The tax expense for the period comprises Current and Deferred Tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Minimum Alternative tax (MAT) Credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay Income Tax under the normal provisions during the specified period, resulting in utilisation of MAT Credit. In the year in which the MAT Credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants' of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will utilise MAT Credit during the specified period.

For Subsidiaries, Income taxes currently payable are provided for in accordance with existing legislation of the various Countries in which the company operates.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

k). Foreign Currency

Functional and presentation currency

The financial statements of the Company are presented using Indian Rupee (INR) i.e. currency of the primary economic environment in which the entity operates ('the functional currency').

Transactions and balances

Foreign currency transactions are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

l). Revenue Recognition

The Company has recognised revenue pursuant to a contract (other than a contract listed in paragraph 5 of Ind AS 115) only if the counterparty to the contract is a customer. A customer is a party that has contracted with an entity to obtain Goods and services that are an output of the entity's ordinary activities in exchange for consideration.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

Criteria for recognition of revenue are as under:

a) Sale of Goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- (i) significant risks and rewards of ownership of the goods are transferred to the buyer;
 - (ii) Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
 - (iii) it is probable that economic benefits associated with transaction will flow to the Company; and
 - (iv) amount of revenue can be measured reliably;
- b) In cases where trade contracts provide for crystallization of price or for price adjustment on a subsequent date, corresponding purchase and sales are recognized on the basis of expected settlement price and any differential determined subsequently is accounted for at the time of final settlement.

c) Interest Income is recognized on a time proportion basis taking into account amount outstanding and applicable interest rate.

d) Dividend is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

e) Sale of Electricity

Income from sale of electricity is recognized as per the terms and conditions of the agreement with the Customer.

m). Financial Instruments

(i). Financial Instruments

Initial Recognition

Financial Instruments i.e. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial Instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial Instruments, as appropriate, on Initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in Statement of profit or loss.

Subsequent Measurement

Financial assets

All recognised financial assets are subsequently measured at amortized cost except financial assets carried at fair value through Profit and loss (FVTPL) or fair value through other comprehensive income (FVOCI).

a) Equity Investments (other than Investments in subsidiaries, associates and joint venture)

All equity investments falling within the scope of Ind-AS 109 are mandatorily measured at Fair Value Through Profit and Loss (FVTPL) with all fair value changes recognized in the Statement of Profit and Loss.

The Company has an irrevocable option of designating certain equity instruments as FVOCI. Option of designating instruments as FVOCI is done on an instrument-by-instrument basis. The classification made on initial recognition is irrevocable.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

If the Company decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument are recognized in Statement of Other Comprehensive Income (SOI). Amounts from SOI are not subsequently transferred to profit and loss, even on sale of investment.

b) Derecognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Company has transferred substantially all the risks and rewards of the asset, or b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

c) Impairment of financial assets

The Company applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost and those carried at fair value through Other Comprehensive Income.

Financial Liabilities

Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Subsequent Measurement

Loans and borrowings are subsequently measured at Amortised costs using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation is included as a part of Finance Costs in the Statement of Profit and Loss. Financial liabilities recognised at FVTPL, shall be subsequently measured at fair value.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Re-classification of financial instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest. The Company has not reclassified any financial asset during the current year or previous year.

n). Cash and Cash Equivalents

Cash and Cash Equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of 12 months or less, which are subject to an insignificant risk of changes in value.

VERITAS (INDIA) LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

o). Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholder by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit after tax for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p). Segment Reporting

Based on "Management Approach" as defined in Ind AS 108 -Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments. The Company concludes that it operates under four reporting segment viz (a) Trading, Distribution and Development and (b) Wind power generation (c) Manufacturing (d) Warehousing, the secondary reporting segment is geographical segment based on location of customer viz domestic and overseas.

Unallocable items includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the standalone financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

q). Derivative financial instruments

The company uses derivative financial instruments to manage its exposure to interest rate risk. Derivatives are initially recognized at fair value as the date of derivative contract is entered into and are subsequently remeasured to their fair value at the end of each reporting date. The resulting gain or loss is recognized in the income statement immediately, unless the derivative is designated and effective as a hedging instrument, in which event the recognition in the income statement depends on the nature of the hedge relationship. A derivative with a positive fair value is recognized as a financial asset; a derivative with a negative fair value is recognized as a financial liability.

Hedge Accounting

The company designates certain hedging instruments as either fair value hedges or cashflow hedges. Hedges of interest rate risk and foreign exchange risk on firm commitments are accounted on cashflow hedges.

As at 31 March 2021, the company has an interest rate swap contract which is classified as derivative financial exposure at fair value through profit and loss.

r). Key Sources of Estimation Uncertainty

The Entity Management set out the entity's overall business strategies and its risk management policy. The Entity's overall financial risk management program seeks to minimize potential adverse effects on the financial performance of the entity. The entity policies include financial risk management policies covering specific areas, such as market risk (including foreign exchange risk, interest risk, liquidity risk and credit risk). Periodic reviews are undertaken to ensure that the entity's policy guidelines are complied with.

There has been no change to the entity's exposure to the financial risks or the manner in which it manages and measures the risk.

Key estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

Notes to Consolidated Financial Statements for the year ended 31 March 2021

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer and the geography in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The maximum exposure to credit risk for trade and other receivables by type of counterparty was as follows:

	Notes	Amount (Rs.)	
		March 31, 2021	March 31, 2020
Financial Assets (Current)			
Loans	10	57,64,643	9,42,69,786

		9,14,36,11,992	8,74,26,79,947

a) Trade receivables

The Group individually monitors the sanctioned credit limits as against the outstanding balances.

The Group establishes an allowance for impairment that represents its estimate of expected losses in respect of trade receivables. The Group uses a provision matrix to compute the expected credit loss for trade receivables. The Group has developed this matrix based on historical data as well as forward looking information pertaining to assessment of credit risk. Management exercises override in few receivables.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed. The Group does not hold collateral as security. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdiction and industries and operate largely in independent markets.

The Company exposure to top 5 Debtors is 74% of outstanding trade receivable as at March 31, 2021. There is credit concentration and management is confident of full recovery.

Shareholders are required to update their mobile number and email ID correctly in their Demat account in order to access e-Voting facility.

15. Voting through electronic means:

The Company is pleased to provide remote e-voting facility through National Securities Depository Limited (NSDL) for the Members of the Company to enable them to cast their votes electronically on the resolutions mentioned in this Notice of 36th Annual General Meeting of the Company dated August 07, 2021 ("Notice"). The details and instructions for remote e-voting are furnished in point Nos. 17, 19 and 20 of the AGM Notice. These details form an integral part of the Notice.

16. Procedure for Remote E-Voting: The instructions for the Members voting electronically are as under

- i. The remote e-voting period begins on September 27, 2021 (Monday) at 09:00 a.m. (IST) and ends on September 29, 2021 (Wednesday) at 05:00 p.m. (IST). During this period Members of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date** i.e. September 23, 2021 (Thursday) may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.
- ii. The Members who have already voted prior to the meeting date would not be entitled to vote during the meeting.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its Members, in respect of all shareholders' resolutions. It is also mentioned in the circular that currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the Members. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitate in seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of aforesaid SEBI circular, Individual Members holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
